Multipurpose armchair for the home or business establishments. Thanks to its geometric design, many units can be grouped together to create elegant configuration in common areas. Its arms in different and very closely researched sizes mean that you can work on your tablet on the wide arm and even have an auxiliary table with a built-in support.

#### TECHNICAL INFO

Solid wood + MDF covered in non-deformable expanded polyurethane and polyester fibre.  
Calibrated steel base lacquered in thermoset epoxy polyester in white and black.  
Transparent plastic foot pads.

The auxiliary table is manufactured in lacquered MDF in the colours of our collection and is symmetrical so it can be used on the right or the left alike.
