

# IBIZA SUN LOUNGER

By Eugeni Quitllet

"Every idea comes from the light and the sea as life does..."

"From the ephemeral beauty of a season to an everlasting piece to keep this moment of a dream in a permanent frame".

"Observing the plastic objects brought by the sea, like artificial shells, it inspired me a unique collection made of recycled plastics from the island".

"IBIZA is an emotional state of mind. Together with Vondom, this dream has become true: Ibiza eco-collection is born."
