

The Millennial Collection

— LIMITED EDITION PIECES —

We work with

LIFELESS

*millenary olive trees,
acquired from diverse regions along Southern*

Spain.

Southwest Winds

LIMITED EDITION PIECES

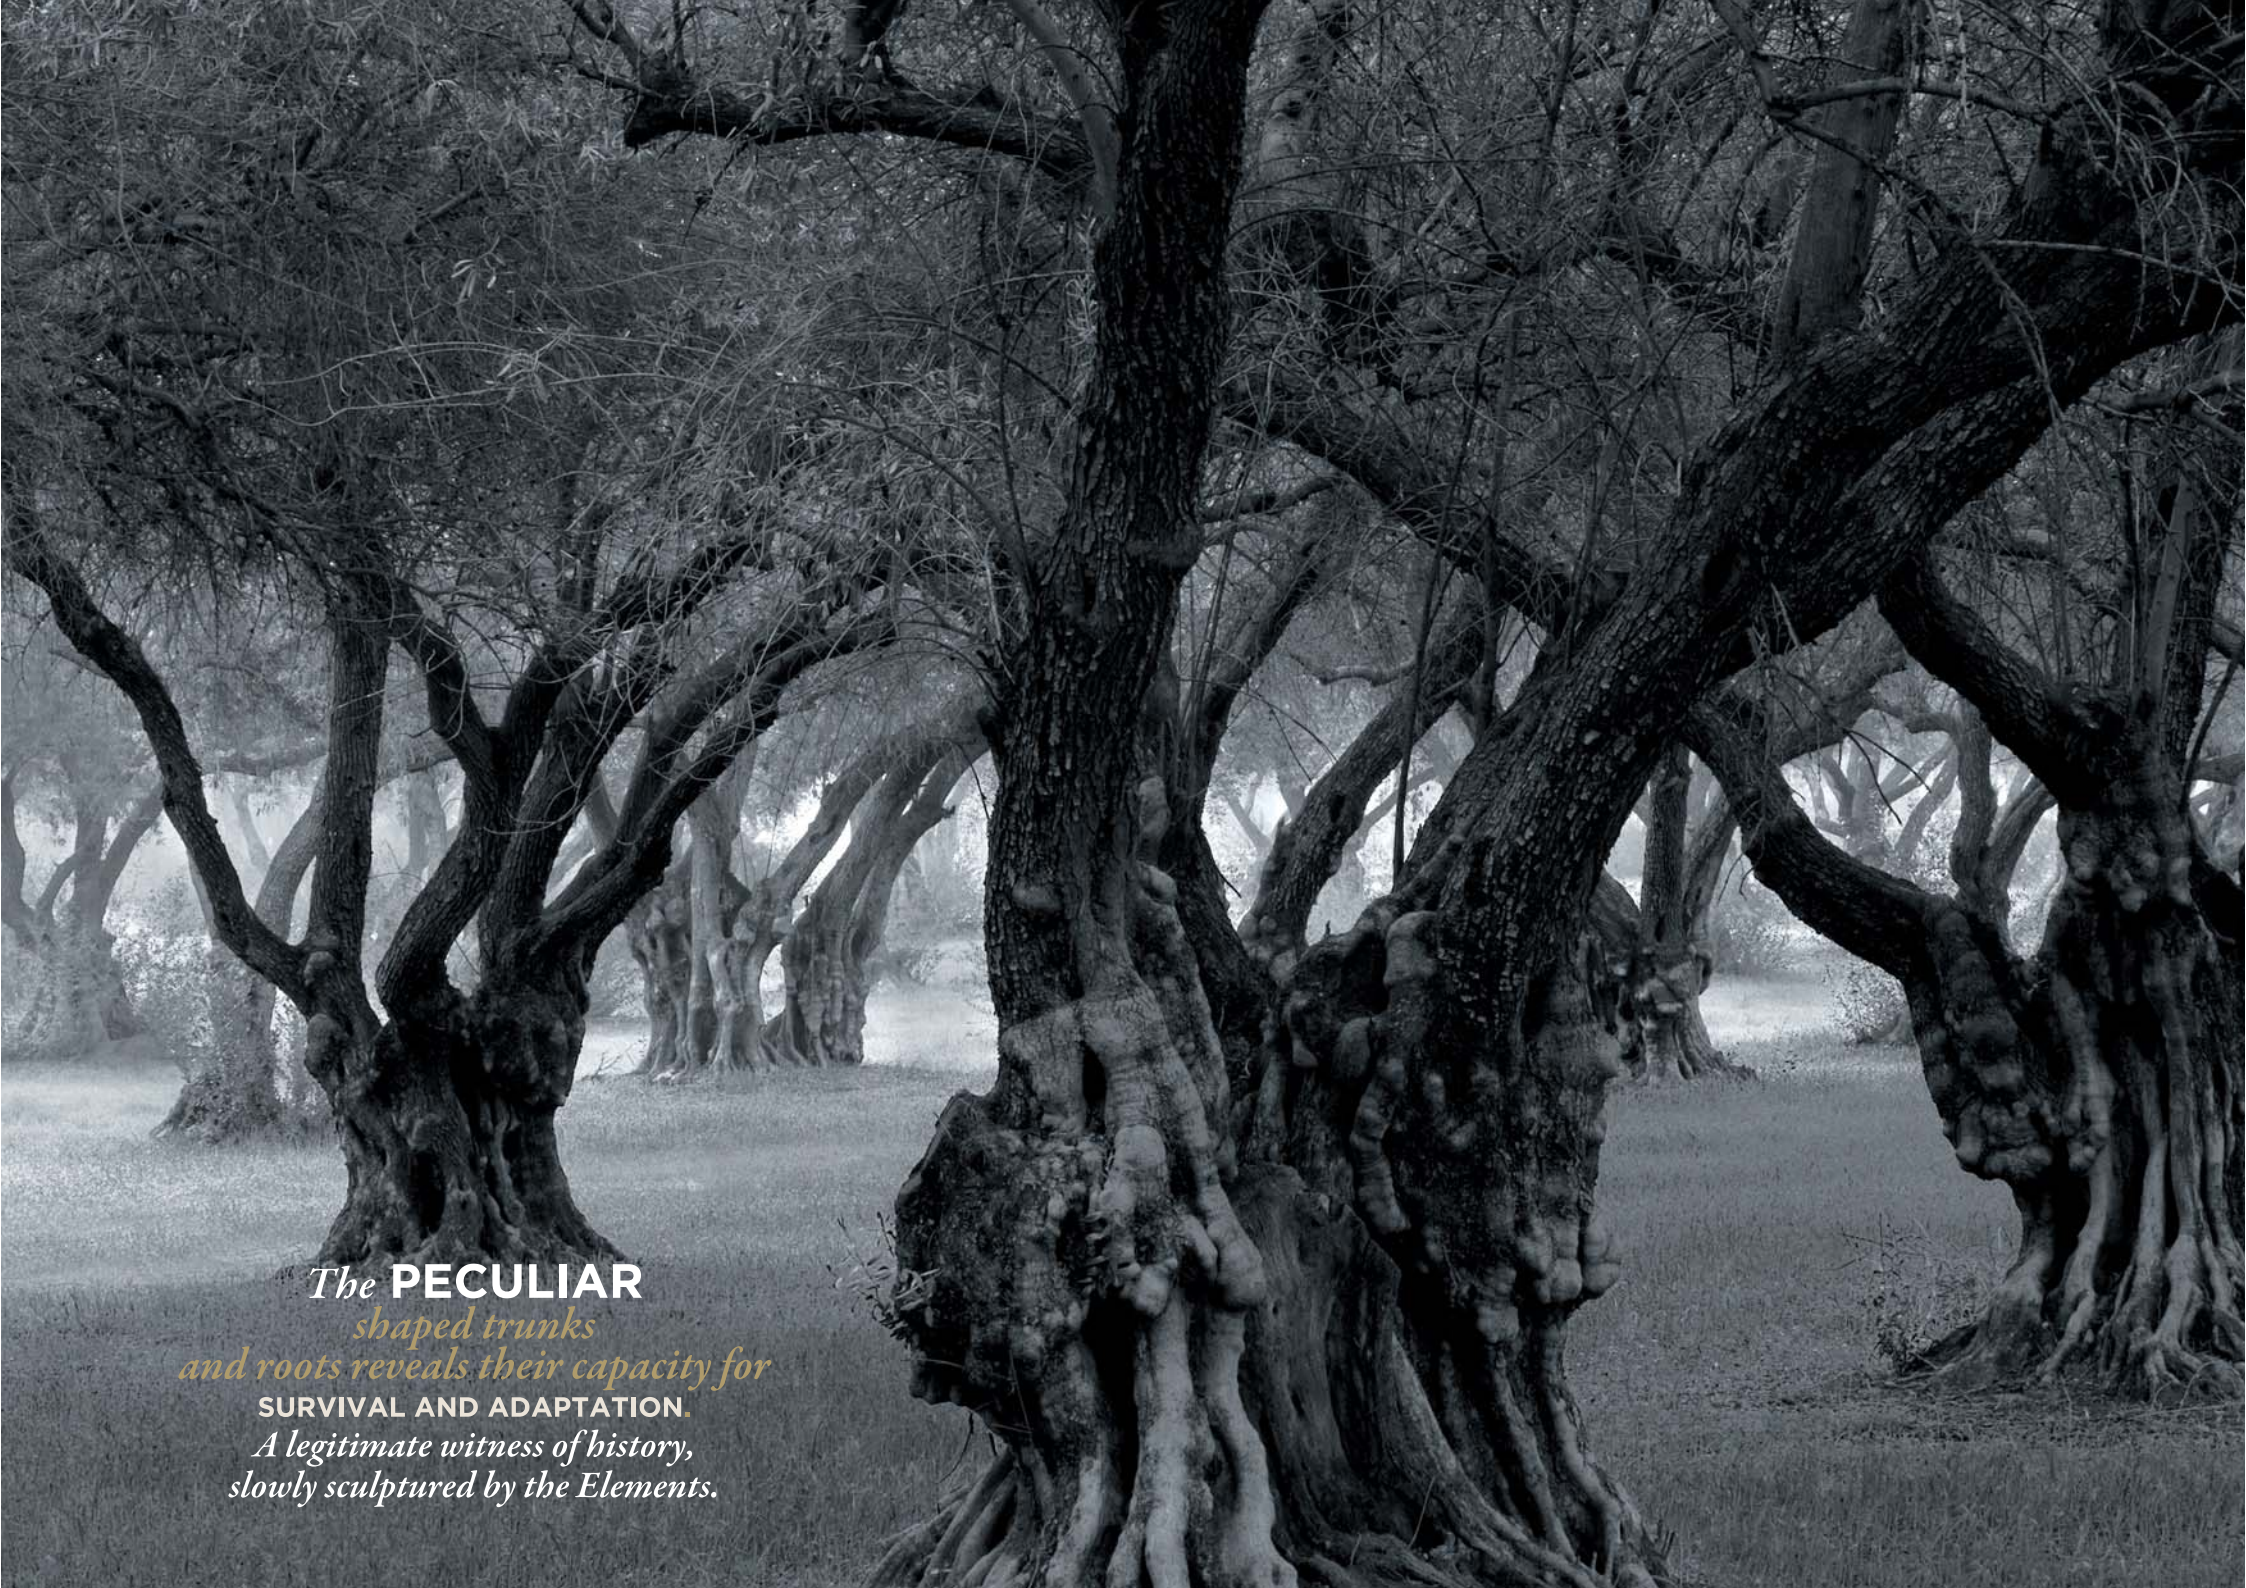

*These trees,
planted some 900 years ago,
produced what is wildly regarded as
the highest quality olive oil. Once the production cycle
ends and for other
damages, they are unfairly discarded.*

Wings of Life

LIMITED EDITION PIECES

*The **PECULIAR**
shaped trunks
and roots reveals their capacity for
SURVIVAL AND ADAPTATION.
A legitimate witness of history,
slowly sculptured by the Elements.*

Flat Country

OUR INTENTION
IS TO PAY TRIBUTE
TO THEIR NATURAL
CHARACTERISTICS BY
REDEFINING THEIR
RUSTIC APPEARANCE.

*We do so by keeping their immutable essence
untouched, providing a second opportunity
for a
continuous Life.*

The
POLYHEDRAL STRUCTURE

*frames the composition
with an effect of constant balance and motion.
It acts as a platform that accommodates
both entities in one **single** creation.*
