

## CYLINDER Black projector LED 24W 4000K 56°

Ref. 010601202

CYLINDER is a track projector with a cylindrical structure and compact design. The projectors distribute light to where it is most needed, since they can be directed to emphasise certain elements or can distribute the light uniformly. With a colour temperature of 4000K, this projector is suitable for lighting work spaces. The 56° version is perfect for lighting in restaurants and hotels, and also in exhibition rooms or museums.
