

MINI-COLIN-2 White downlight LED RETAIL 30/48W pearl white 56° 3930/5270 lm

Ref. 033013401

MINI-COLIN is a minimalist recessed light. Its body fully integrates into the space and it provides effective lighting. The LED RETAIL module is indicated for lighting garments, since its features allow the textures and colours of clothes to stand out. A Colour Rendering Index of 95 provides a realistic rendering of the colour. The higher the value, the better the human eye perceives the real colour of the objects it lights. The 56° version is perfect for more general lighting in these premises or as accent lighting within short distances.

Specifications

Bulb: LED 34-48W 3930-5270lm P.WHITE
