LUXURY TERRACES

In the former home of Prince Roland Bonaparte, overlooking the Eiffel Tower and River Seine, ultimate Parisian elegance lives on in the French capital. After being lovingly restored to its former grandeur, No.10 avenue d'Iéna's "Palais" was reborn as Shangri-La Hotel, Paris in December 2010. Centrally located in the 16th arrondissement, minutes from the Champs-Élysées, the hotel blends European grandeur with traditional Asian hospitality. Shangri-La Hotel, Paris offers 100 rooms including 37 beautiful suites. Family-friendly, most can communicate with other rooms, with a design celebrating the essence of French imperial art de vivre and Asian hospitality and aesthetics. Boasting spectacular views over the Eiffel Tower or Avenue d'Iéna, all bathe in natural light.

LIVING WITH COLOURS

A vibrant outdoor pool scene at the Boho Club in Marbella. The pool is surrounded by a wooden deck with lounge chairs and umbrellas. In the background, there are white buildings with terracotta roofs, palm trees, and mountains under a clear blue sky. The pool's surface reflects the surrounding environment.
