

NIKO is a wall lamp designed by Nahtrang with charger for wire-less mobile. Its structure has a wooden charger without cables and a USB port. The light source is adjustable (6,6W-3,3W-0,33W) and thanks to its switch on the base its use is very intuitive. It has a Nordic design with dual functionality, NIKO is designed to illuminate bedrooms and living rooms. It is a good choice for hotels.

General characteristics

| | |
